

Smart, end-to-end corporate reporting

Tangelo gives you full control over producing the annual report, sustainability report, and other corporate disclosures—with automated typesetting, flexible data integration, multi-channel publishing, fully integrated tagging, and structured review workflows. Built for the demands of today's corporate reporting, Tangelo removes the bottlenecks of traditional processes, allowing teams to work faster, collaborate better, and publish with confidence—across PDF, microsite, and electronic formats like ESEF, CSRD, and UKSEF.

Build

Build new documents anytime using your design styling automated typesetting delivers unmatched productivity in-house.

Connect

Synchronize your content with your data sources. Flexible setup without heavy IT involvement, with APIs available for deeper integrations.

Tag

How it works

Fully integrated tagging for ESEF, CSRD, UKSEF, and SBR. Includes extension management. No bolt-ons.

Review

Enterprise-level collaboration: assign roles, track tasks, freeze sections, and compare versions.

Publish

Create print-ready PDFs and engaging microsites from a single source. Live preview and simultaneous publishing.

What it brings
